

1. **The brown box outside the cabana has snorkeling equipment (flippers and goggles) that you can use. A cooler bag for boat trips and beach visits. Blow up mattresses beach umbrellas , chairs and toys for the beach and the pool. First come first served.**
2. **Bin bags for rubbish and bathroom bins are provided under the kitchen sink and in the shower. Please put full bags in the grey bin near the cabana. If you have rented the maisonette you can leave your full bags tied up outside of the back kitchen door.**
3. **For recycling , plastics , glass , cartons etc. you can put them in the green bins outside the cabana downstairs or outside the back kitchen door of the house. (near the washing machine)**
4. **The house and studios are cleaned according to Health first protocols. If you need any house keeping service during your stay, other than towel changes and sheet changes (depending on length of stay), for your convenience, there is a mop and chlorine spray in each studio, and a broom and bucket and cleaning liquid on each floor. In the house you will find these items in the store room of the kitchen.**
5. **For space saving we have replaced the mini oven with brand new counter top ceramic hot plates. If you need an oven a mini oven /stove can be provided on request.**
6. **You do not need to do anything for checking out, however we would appreciate if you did not leave dirty dishes in the kitchen sink or anywhere else.**
7. **Leave the keys on the outside lock of the door when checking out.**
