1. Check in 15:00 check out 11:00

2. In view of the ongoing energy crisis , we ask that when leaving the room or house, please do not leave any electrical appliances (air conditioners fans, stove) on. Even on very hot days the air conditioner will cool your room quickly. When using the air conditioner close windows and balcony doors so as not to waste energy and for more effective cooling/heating.

3. Upon leaving the room make sure you do not close the door with the key on the inside lock. Keep all your valuables in the safety deposit box in your room. Please ask for the safe key if you wish to use the safe.

4. Please do not leave glasses , plates, personal items etc or litter by the pool . If taking an early or late swim keep the noise down in case other guests are sleeping. Young children must be supervised at all times when in the pool and in the vicinity of the pool.

5. The towels are for in room use, if you have forgotten to pack beach towels we can lend you some.

6. We are proud of our tranquil atmosphere, we therefore ask you to please respect your fellow guests, so no loud music and shouting.

7. For every-ones safety only our guests are allowed on the premises. (no invitations can be extended to persons not staying at Villa Eora)

8. On Zakynthos there is a general ban on open fires in the warmer months, and even more so at Villa Eora as we are in a high risk area for forest fires so the B B Q can not be used. However there is a portable bar b q burner which can be used after prior arrangement. Charcoal has been left by previous guests, if there is none you will need to purchase some....

9. There is a 3 Eur charge per washing machine load. Detergent is on the washing machine Please do not use the washing machine before 9.00 am and after 10.00 p.m. A cordless iron and mini ironing board is available on request, (the house has an iron and ironing board in the kitchen store room.

10. Smoking is allowed only in the outdoor areas or on the verandahs. Extinguish cigarettes in the ashtrays provided as there is a high risk of fire in the summer months.
